Profile Summary

A motivated and detail-oriented Master of Computer Applications (MCA) student with a strong foundation in software development, programming, and database management. Proficient in Python, SQL, C, C++, HTML, CSS, Agile Methodology, and Data Structures & Algorithms. Hands-on experience in web, desktop, and Android application development through academic projects and internship experience. A quick learner with excellent problem-solving, communication, and teamwork skills, eager to contribute to organizational success while continuously enhancing technical expertise.

Education

Qualification	Institute	Year	Percentage
MCA	Kristu Jayanti (Deemed to be University)	2025-2027	Pursuing
BCA	Kristu Jayanti College, Autonomous	2022-2025	70.83%
Class XII (PCMC)	Vision Residential PU College	2020-2022	77%
Class X	Chinmaya Vidyalaya High School	2017-2020	76.48%

Internship Experience

IGRA Company		Python Web Developer Intern*	JUNE 2024– JULY 2024
Roles and Responsibilities	- Developed interactive web pages using Python, HTML, and CSS. - Designed and implemented web forms with form submission and user interaction features. - Assisted in developing and testing front-end components to ensure functionality and usability. - Collaborated with the development team to enhance webpage performance and user experience. - Applied Python programming concepts to build and maintain dynamic web applications..		

Position Of Responsibility

- Volunteer for Department Activities
- Student Coordinator for Shells Event(2025)

Extra Curricular Achievements

Certifications	- Ethical Hacking Essentials (EHE)-Cynexera 2026 - Cisco Certified Support Technician Cybersecurity-2025 - Java Programming Fundamentals-Infosys Springboard-2025 - MongoDB Certification -Java developer Path-2024 - Selenium Webdriver with Python from Scratch + Framework-Udemy -2024 - The Joy Of Computing Using Python-NPTEL-2024 - Cloud Security Fundamentals-paloalto-2024 - Data Base Management Sysytem-NPTEL-2023
Achievements and Participations	- Won multiple prizes in Sports, Athletics, and Karate at school and college-level competitions. - Served as a Coordinator for the Shells college event, contributing to event planning, coordination, and successful execution.
Volunteering	- Volunteered in blood donation drives and contributed to community health initiatives. - Volunteer – Farmers Market Initiative

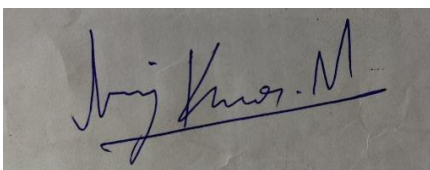

Research/ Projects	Dynamic Web Application: Technologies: PHP, SQL, Agile Methodology Developed a dynamic web application using PHP and SQL with secure database integration. Implemented efficient backend functionality for managing application data. Followed Agile development practices throughout the project lifecycle.
	Database-Driven Web Application: Technologies: Python, Django, SQL Built a database-driven web application using Python and Django. Implemented user authentication, data management, and secure backend logic. Designed a scalable backend architecture to support application functionality.
	Android Mobile Application: Technologies: Kotlin, Android Studio Developed a modern Android application with an intuitive and user-friendly interface. Designed interactive mobile features to enhance user experience. Applied Android development best practices for responsive application design.
	Desktop Management Application: Technologies: .NET (Visual Studio), SQL Developed a desktop application integrated with SQL for efficient data management. Streamlined management processes through effective database integration. Designed a user-friendly interface to improve usability and system efficiency.

Additional Information	
Languages Known	English (Proficient), Tamil (Intermediate), Kannada, Hindi
Technical Proficiency	Python, SQL, HTML,CSS, C, C++, Canva, Data Structures & Algorithms (DSA), Agile Methodology
Soft Skills	Strong Communication ,Team Collaboration, Problem-Solving, Adaptability, Quick Learner, Time Management
Willing to Relocate	Yes, open to Pan India opportunities
